

WHO: U.S. Rep. Charlie Wilson (OH-6), Middleport Mayor Michael Gerlach, Middleport Village Operator Faymon Roberts

WHAT: Tour the Middleport waste water lagoons to see new equipment called Solar Bees.

WHY: The Solar Bees, purchased with Recovery Act funds, will power electric circulators that enable the lagoons to purify more water. The use of the Solar powered energy will cut the Village's utility bill and reduce carbon dioxide emissions.

WHERE: City Building
237 Race Street
Middleport, OH
740-992-2705

WHEN: Wednesday, April 7 at 10 a.m.
